(1) Represents additional characterization of, and is part of, "Ordinary Income."

(2) Represents additional characterization of, and is part of, "Total Capital Gain Distribution."

"The common dividend of \$1.71 per share paid in 2015 marked the twenty-sixth consecutive annual dividend increase for National Retail Properties," said Kevin Habicht, Chief Financial Officer. "This consistent dividend has been an important part of the company's total return to shareholders which has outperformed industry and general equity benchmarks for many years."

National Retail Properties invests primarily in high-quality retail properties subject generally to long-term, net leases. As of September 30, 2015, the company owned 2,231 properties in 47 states with a gross leasable area of approximately 24.5 million square feet and with a weighted average remaining lease term of 11.5 years.
