To our friends at National Retail Properties:

Thank you for fighting hunger by fundraising and donating to Second Harvest Food Bank of Central Florida through the 2019 IOA Corporate 5k!

With the help of your team's donation of non-perishable food items, over 154,000 meals have been provided to children, seniors and families throughout Central Florida who struggle with hunger. What an incredible impact, all because you cared!

Thanks to our wonderful friends at Track Shack, Insurance of America, and of course, each and every corporation, business, organization and individual that donated to the cause, the 2019 IOA Corporate 5k was the greatest success yet! Your support of our work continues to change lives for the better every single day.

Thank you again for helping us reach even more of our neighbors in need. We couldn't do what we do without wonderful partners like you.

Sincerely,

Maureen Mikel
Development Manager
