GRI STANDARD	DISCLOSURE	DESCRIPTION	LOCATION / RESPONSE				
	403-6	Promotion of worker health	All employees are full time regular (no leased, etc.) and we experienced no on the job accidents during the reporting period. Some of the mitigation tools that we have adopted include:				
			Voluntary programs: we have a health and well-being platform, Vitality (within which spouses are welcome to participate as well), lunch & learns presented by professionals from Advent Health (topics have included mental health, healthy eating, and lifestyle), participation in our local corporate 5k and a season of wellness which includes a walking challenge, a Walk with the CEO, and a weight loss challenge in partnership with nurses from a local chiropractic office. Over the summer we hosted a health fair with 16 booths providing demonstrations for services including stretching, massages, on the spot eye and skin exams and all of our providers were represented. Our line of sight beyond the reporting period will have on site flu shots, biometric screenings and open enrollment meetings presented by experts from our benefits broker.				
GRI 403: Occupational			We discourage use of tobacco products by offering non-tobacco discounted rates on our medical plans and can proudly state that NNN is 100% tobacco free. Additionally, we offer a generous contribution to HSA accounts for anyone participating in the High Deductible Health Plan regardless of if the associate contributes or not.				
Health and Safety 2018			Our associates are at a desk in an office. We have made efforts to mitigate on the job injury and illness by providing any interested employee with a standing desk. We also have a floor warden for anyone requiring assistance in the event of an emergency requiring stair evacuation from our 9th floor offices.				
			Our offices are secured with a electronic badging system with strict protocols/rights on badging, an electronic Guest Approval / Notification system the automatically copies the receptionist and security staff of all NNN visitors, receptionist greeting all visitors upon approved arrival to our suite and our offices are monitored 24/7 by professional security staff.
